### Product Features

The Music Speaker E12 is the ideal companion at many places. On trips, parties and at the office the handy and powerful speaker always creates a good impression. Connect this little miracle of sound via Bluetooth with your phone, tablet or notebook and you will always have this audio system by your side. The E12 also offers you the possibility to be used as a hands free device. So you always have your hands free and you can carry on with your usual work.

The Music Speaker E12 is compatible with all devices that support Bluetooth. Via the integrated 3.5 mm jack, you can easily connect many other devices. You can control it via the audio source as well as directly on the E12 itself, where you can find buttons for answering phone calls, volume control and pause / play.
