Art- No: 620015 / 620014

## Product Features

The Music Speaker E15 is the ideal companion in many places. On trips, parties and at the office the handy and powerful speaker always gives a good impression. Connect this miracle of sound via Bluetooth or easily via NFC-Touch with your phone, tablet or notebook and have always your small audio system with you. The 360° Beam-Sound Speaker offers well-balanced sound. The E15 also offers you the possibility to be used as a hands-free device. Your E15 is charged by induction on the mobile charger station - no annoying cable clutter anymore! In addition, the docking station has a built-in rechargeable battery and can also be used to charge your Smartphone.

The Music Speaker E15 is compatible with all devices that support Bluetooth or NFC. The Speaker is controlled on the playback device as well as directly via sensor-touch keys on the speaker itself,

- 360° Beam-Sound for excellent music pleasure
- Supports hands free or phone conferences
- For iPhone, iPad, Android, BlackBerry and most other Bluetooth and NFC devices
- Built-in 500 mAh Li-Ion battery for up to 5 hours of music
- 2.5 mm jack audio input
- Controls directly on Music Speaker E15
- Simple and easy wireless chargeable via mobile charging station
- Docking station can also be used to charge your Smartphone
- Strong metal case
