Art- No: 540001

## Product Features

Mobile Eyes HD is a portable wireless camera for home surveillance, baby monitor or live stream. It is compatible with smart phones such as Apple, Android or windows based home PC. Observe your pets or your home, take pictures or record videos, zoom in and out. Or save the videos in HD quality on a micro SDHC card.

Live broadcast your videos via ustream.tv into the whole world. Access the camera from anywhere via smart phone or tablet, you just need a stable internet connection. Mobile Eyes HD has many accessories included and can be fixed in nearly any situation with the huge range of shipped mounting plates.

- Portable HD camera for home safety
- Wide view angle at 100°
- Excellent low light performance
- Remote control and live view via smart phone App
- Live monitoring via Internet
- Multiple cameras live view (Quad View)
- Circling recording to avoid full memory card
- App for Android and iOS
- PC software
